Victoria Falls Experience 4* Avani Resort

It's called **Mosi-Oa Tunya** -
"the smoke that thunders"

And for good reason... in full flow, **Victoria Falls** sends the *Zambezi River* crashing into an abyss, its plume of spray visible from *30 miles* away.

This *3-day tour* is an ideal **add on** to an *Exclusive tour* to see one of the **seven natural wonders of the world**.
