District 6, Bo-Kaap and Cape Malay Cooking Tour

Your tour will begin with a visit to the *District 6 Museum* which tells the story of forced removals - the majority being of the so-called *coloured community*.

One of the *most photographed* areas of the city is the **Bo-Kaap** area with its *brightly coloured houses*.

A stroll around the neighbourhood includes a *visit to a local spice shop*.

We then have the privilege to enter the home of a local community member for a *cooking class* where you will *experience the true Bo-Kaap culture* and learn about *their authentic cuisine*.
